Both democracy and authoritarianism are on the rise in Africa

Authoritarianism is a form of government characterized by strong central power and limited political

freedoms. Individual freedoms are subordinate to the state and there is no constitutional accountability and rule of law under an authoritarian regime. Authoritarian regimes can be autocratic with power concentrated in one person or it can be more spread out between multiple officials and ...

Authoritarianism - Wikipedia

democracy and authoritarianism are to some extent opposing forms of government. On the one hand, democracy is the form of government in which, through the vote of the citizens, its representatives are elected, who will defend their ideals and interests. Theoretically, in a "pure" democracy, the majority can not be limited in any way and should always be able [...]

What is the difference between Democracy and ...

In fact, a democracy without strong disagreement and deliberation on the many issues that can inflict a society is not a democracy at all. The backsliding of democracy in many countries and the rise of populist authoritarian parties and figures does not mean the erosion of democracy, but rather a challenge that can only strengthen it if overcome.

Democracy, populist authoritarianism, and American foreign ...

Democracy, Authoritarianism and Education Finance in Brazil* DAVID S. BROWN Abstract. In view of the inconclusive statistical results associated with democracy's impact on economic performance, this article unpacks the dependent variable (economic development) by examining democratisation's impact on education policy.
