The guitar is a fretted musical instrument that usually has six strings. It is typically played with both hands by strumming or plucking the strings with either a guitar pick or the finger(s)/fingernails of one hand, while simultaneously fretting (pressing the strings against the frets) with the fingers of the other hand. The sound of the vibrating strings is projected either acoustically, by ...

I think you'll agree, that the most direct way to solo over chord progressions is to use guitar arpeggios. By using arpeggios, you target chord tones for each change in the progression. While you can use arpeggios to hit every chord in your solos, that's easier said than done. You often need to ...
