In art history, literature and cultural studies, Orientalism is the imitation or depiction of aspects in the Eastern world. These depictions are usually done by writers, designers, and artists from the West. In particular, Orientalist painting, depicting more specifically "the Middle East", was one of the many specialisms of 19th-century academic art, and the literature of Western countries ...

Types of Abstract Art. To keep things simple, we can divide abstract art into six basic types: • Curvilinear • Colour-Related or Light-Related • Geometric • Emotional or Intuitional • Gestural • Minimalist Some of these types are less abstract than others, but all are concerned with separating art from reality.
