(1) The Subaru 4EAT (I have also found literature referring to it as the R4AX-EL) is a four speed electronically-controlled transmission. It features a lock-up torque converter, for which I have seen claims that it will lock up in all forward gears except 1st; although to my knowledge no SVX owner has ever seen it in any other gear than 4th.

The automatic transmission fluid is a long lasting type, and Mazda does not specify that it need ever be changed. However, if you have brought the truck used, driven it in water deep enough to reach the transmission, or used the truck for trailer pulling or delivery service, you may want to

change the fluid and filter.
